7th Donor Heroes' Night on 18th May 2026

Why is this Event so important to Recipients?

Communication between Recipients and their Donor Family is haphazard at best and needs to be far more transparent. In fact CONSENTING parties should have better opportunities than writing to one another anonymously.

I think of my Donor Hero every day of my life for without the generosity I would not be alive today and my Family would have to be managing their grief having lost a son.

Donor Heroes' Night goes a long way to allow me to express my gratitude to my HERO and their Donor Family. So I will be posting my comment on the Donor Families Australia's Facebook Page at <https://www.facebook.com/DonorFamiliesAustralia> as well as leaving our porch light on and lighting a candle to commemorate all Donor Heroes.

Donor Families Australia (DFA) has established a dedicated Page on their Website at <https://www.donorfamiliesaustralia.org/> which provides Event information including;

- General background information,
- Video captions,
- Video Donor Heroes Songs,
- How to Post on the night,
- Donor Family Stories,
- Donor Heroes Night Flyer.

Please spread the word of the Event and join me on the night to celebrate and say thanks to all our Donor Heroes.
