

Donor Families  
AUSTRALIA

## AROUND AUSTRALIA

**Donor Families Australia** is a nationwide independent support and advocacy network comprising families who have donated their loved ones' organs and tissue.

Membership is free and gives donor families a voice:

- To speak with and to support each other;
- To let those who formulate organ and tissue donation policy know what is important to Donor Families; and
- To connect the community to a group that knows the experience of donation so they might come to a true understanding of what it is all about.
